22/04/151 **Planning Matters**

The following applications were discussed, and responses formulated:

(a) Planning Application No. CB/22/00548/MW

Installation of solar PV park development and associated infrastructure
Brogborough Landfill Site, Woburn Road, Lidlinton

At the last meeting members were aware that surrounding parishes may have concerns regarding this application and, as good neighbours, it was agreed to defer commenting on this application until the Committee's next meeting on 19th April, in order to see if this Committee may share those concerns.

Following discussion, it was agreed to submit the following comments:

The planning footprint is partially located on a closed landfill site. It is suggested that a risk assessment be conducted to assess any risk to the landfill cap.

The parish council feels strongly that there should be no loss of any amenity and access to any public footpaths as a result of this application.

Measures must be put in place to ensure the utmost consideration be given during the construction phase to ensure no harm / damage occurs to The Thrift.

22/04/152 **Correspondence**

No correspondence received.

There being no further business to transact, the meeting was closed at 7.24pm.
